

The Healing Power of the Madonna Imagination

the Veiled Mystery of Isis-Sophia-Mary

An illustrated lecture by

Van James

Wednesday, 28 February 7 pm

“...the great healing principle to which humanity will again attain [will be] when it steps itself anew in Spiritual Wisdom. We see what has remained of this in the wonderful symbol of the Virgin Mother with child...we see it in many pictures of the Madonna. We assert that these pictures have a curative effect...a picture of the Madonna is a means of healing.”

—Rudolf Steiner

Van James is an international guest tutor at Steiner-Waldorf teacher training centers and university art departments in Asia, Oceania and America.
