- decision reiterated that Ukraine
would become a member of NATO.

Feb 2022 INVASION of Ukraine by Russia
- Demilitarization & - Denazification

UKRAINE on the GRAND CHESSBOARD

"... Ukraine is the US bridgehead on the Eurasian continent so that an enlarging Europe can become a more viable springboard for projecting into Eurasia the international democratic and cooperative order ... Ukraine should become ready for serious negotiations with both the EU & NATO between 2005-2015."

Brzezinski, in 1997

National Security Advisor under Jimmy Carter
